STATE FINANCE COMMITTEE

OLYMPIA, WASHINGTON

RESOLUTION NO. 1244

A RESOLUTION OF THE STATE FINANCE COMMITTEE OF THE STATE OF WASHINGTON ACTING BY AND THROUGH THE STATE TREASURER AS CHAIR OF THE STATE FINANCE COMMITTEE APPROVING THE COMPETITIVE SALE OF \$240,410,000 PRINCIPAL AMOUNT OF MOTOR VEHICLE FUEL TAX AND VEHICLE RELATED FEES GENERAL OBLIGATION BONDS, SERIES 2021F, OF THE STATE; FIXING THE INTEREST RATES; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO.

WHEREAS, the Washington State Finance Committee (the "Committee") by Resolution No. 1225, adopted on August 8, 2019 (the "Bond Resolution"), authorized the issuance and sale by the State of Washington (the "State") of not to exceed \$5,300,000,000 principal amount of general obligation bonds, in one or more series, to provide funds to pay and reimburse State expenditures for various Connecting Washington projects or improvements; and

WHEREAS, by the enactment of Chapter 18, Laws of 2010, 1st Spec. Sess., the State Legislature amended RCW 39.42.030(2) to authorize the Committee to delegate to the State Treasurer the authority, by resolution, to (i) accept offers to purchase bonds, notes, or other evidences of indebtedness of the State and to sell and deliver such bonds, notes, or other evidences of indebtedness to the purchasers thereof; (ii) determine the date or dates, price or prices, principal amounts per maturity, delivery dates, and interest rate or rates (or mechanisms for determining the interest rate or rates); and (iii) set other terms and conditions as the Committee may deem necessary and appropriate; with each such delegation to be limited to bonds, notes, or other evidences of indebtedness that the Committee has authorized to be issued; and

WHEREAS, the Committee, in the Bond Resolution, authorized the State Treasurer, on behalf of the Committee, to adopt Bond Sale Resolutions to approve the sale of any Series of Bonds within the aggregate total principal amount of Bonds authorized by the Committee to be issued under the Bond Resolution; and

WHEREAS, pursuant to the Bond Resolution, the Deputy State Treasurer caused the Preliminary Official Statement dated April 9, 2021, to be prepared for the public sale of a series of motor vehicle fuel tax and vehicle related fees general obligation bonds authorized by the Bond Resolution (the "Series 2021F Bonds") and the official notice of such sale (the "Notice of Sale"), to be duly given, and bids have been received in accordance with the Notice of Sale; and

WHEREAS, after review and analysis of the bids received, the Committee acting by and through the State Treasurer, on behalf of the State, deems it necessary and desirable to authorize the sale of the Series 2021F Bonds to J.P. Morgan Securities LLC (the “Underwriter”) as the bidder offering the lowest true interest cost therefor; and

WHEREAS, in accordance with the Bond Resolution, the Committee acting by and through the State Treasurer finds that, when added to the aggregate principal amount of all other general obligation bonds issued under the Bond Resolution, the issuance of the Series 2021F Bonds will not cause the aggregate total principal amount of Bonds issued under the Bond Resolution to exceed \$5,300,000,000;

Optional Redemption. The State reserves the right to redeem certain Bonds (as set forth below) in whole or in part, on any date on or after the respective call dates set forth below, at a price equal to 100% of the aggregate principal amount to be redeemed, plus accrued interest to the date fixed for redemption.

Series R-2021D Bonds	Bonds maturing on or after July 1, 2032	July 1, 2031

In the event of an optional redemption of a Series of Bonds, the State shall select the Series and maturities to be redeemed, and the Bond Registrar shall randomly select the Bonds for redemption within those maturities. Subject to market conditions, the State may determine prior to the sale date that one or more Series will not be made subject to optional redemption prior to maturity. Bidding Detail

Form of Bids; Electronic Bidding Only. The Bonds will be sold in three separate sales (Series 2021F, Series R-2021C, and Series R-2021D). Each sale will be conducted on an all-or-none basis. Each bid must be unconditional and no bid will be accepted for less than all of the Series for which it is submitted. No bid received after the applicable cut-off time specified above will be considered. Bids may not be withdrawn or revised after the applicable cut-off time.

Bids must be submitted electronically via Parity only. Hard copy or faxed bids will not be accepted. Each bidder (and not the SFC or the State) is responsible for the timely electronic delivery of its bid. The official cut-off time for receiving bids will be determined by the SFC, acting by and through the Treasurer, and not by any bidder or Parity.

By submitting an electronic bid, each bidder agrees to all terms and conditions of this Official Notice of Sale (including all modifications provided by the State to Parity) and the following terms and conditions:

- (1) If any provision in this Official Notice of Sale with respect to the Bonds conflicts with information or terms provided or required by Parity, this Official Notice of Sale (including any modifications provided by the State to Parity) will control.
- (2) Each bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Official Notice of Sale (including any modifications provided by the State to Parity).
- (3) The State has no duty or obligation to provide or assure access to Parity to any bidder. The State is not responsible for proper operation of, nor does it have any liability for, any delays, interruptions, or damages caused by use or attempted use of Parity, or by any incomplete, inaccurate, or untimely bid submitted by any bidder through Parity.
- (4) The State is permitting use of Parity as a communication mechanism, and not as the State’s agent, to conduct the electronic bidding for the Bonds. Parity is acting as an independent contractor and is not acting for or on behalf of the State.
- (5) The State is not responsible for ensuring or verifying bidder compliance with Parity’s procedures.
- (6) If a bidder’s bid for a Series is accepted by the SFC acting by and through the Treasurer, this Official Notice of Sale (including any modifications provided by the State to Parity) and the information that is transmitted electronically through Parity shall form a contract, and the bidder shall be bound by the terms of that contract.
- (7) Information provided by Parity to bidders shall form no part of any bid or of any contract between the successful bidder and the State unless that information is included in this Official Notice of Sale, as the State may modify it.

Interest Rates Bid. Bidders for the Series 2021F, Series R-2021C, and Series R-2021D Bonds may specify any number of interest rates in multiples of one-eighth or one-twentieth of one percent (1/8 or 1/20 of 1.0%), or both, provided that Bonds of the same maturity within a Series must bear interest at the same rate. The Series 2021F Bonds maturing on or after June 1, 2032 must have a minimum interest rate of 5.00%. The Series R-2021C Bonds maturing on or after August 1, 2032 must have a minimum interest rate of 4.00% and no maturity of the Series R-

2021C Bonds may have an interest rate greater than 5.00%. The Series R-2021D Bonds maturing on or before July 1, 2031 must have a coupon no greater than 5.00% and the Series R-2021D Bond maturing on or after July 1, 2032 must have an interest rate of 4.00%.

No bid for the Series R-2021D Bonds offering to pay an amount less than 115.0% or more than 124.5% of the aggregate par value will be considered.

Selection of Winning Bids

Bids for each Series will be considered by the SFC acting by and through the Treasurer in the Office of the State Treasurer, on the date and at the times listed on the first page of this Official Notice of Sale unless postponed or cancelled as set forth herein. The winning bid for each Series will be considered awarded upon approval of the Bond Sale Resolution for that Series by the SFC acting by and through the Treasurer on the sale date. The results of the bond sales will be posted on the Treasurer's website promptly following the approval of the Bond Sale Resolutions.

Each Series will be sold to the bidder submitting a bid in conformance with this Official Notice of Sale (including any modifications provided by the State to Parity) that produces the lowest true interest cost ("TIC") to the State, based on the bid price, the interest rates specified in the electronic bid, and the principal amounts identified in this Official Notice of Sale. The TIC for each Series will be the rate necessary, when using a 360-day year consisting of twelve 30-day months and semiannual compounding, to discount the debt service payments from the payment dates to the initial delivery date of that Series currently anticipated to be May 4, 2021 (the "Closing Date") and to the price bid. The TIC calculations for each Series will be performed by the State's Municipal Advisors, and the SFC acting by and through the Treasurer will base its determination of the best bid for each Series solely on such calculations. If there are two or more equal bids for a Series and those bids are the best bids received, the SFC acting by and through the Treasurer will determine in its sole discretion which bidder is awarded that Series.

The successful bidder for a Series will be bound to purchase that Series in the principal amount, at such price and with such interest rates as are specified in its bid, subject to adjustment of principal amounts, if any, permitted as described in this Official Notice of Sale.

Adjustment of Amount of Bonds and Bid Price After Receipt of Bids

The State reserves the right to increase or decrease the preliminary aggregate principal amount of any Series shown on Parity by an amount not to exceed 10% of the aggregate principal amount of that Series after the applicable cut-off time for receiving bids. The State also reserves the right to increase or decrease the preliminary principal amount of any individual maturity as follows:

- (i) Series 2021F Bonds, in an amount not to exceed 15% of the preliminary principal amount of that maturity;
- (ii) Series R-2021C Bonds, in an amount not to exceed 15% of the preliminary principal amount of that maturity; and
- (iii) Series R-2021D Bonds, in an amount not to exceed the greater of 15% of the preliminary principal amount of that maturity or \$750,000.

Adjustments in excess of these limitations can be made with the approval of the apparent successful bidder.

If the preliminary aggregate principal amount of a Series is adjusted by the State, the price bid by the successful bidder for such Series will be adjusted on a proportionate basis to reflect an increase or decrease in the principal amount. In the event that the State elects to increase or decrease the principal amount of a Series after receiving bids, the underwriter's discount, expressed in dollars per thousand, will be held constant. The State will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the TIC of the winning bid or its ranking relative to other bids.

Right of Rejection

The SFC, acting by and through the Treasurer, reserves the right to reject any or all bids and to waive any formality or irregularity in any bid or in the bidding process. If all bids for a Series are rejected, then such Series may be sold in any manner provided by law.

Good Faith Deposit

Each bid must be backed by a good faith deposit in the following amounts:

Series 2021F Bonds	\$2,500,000
Series R-2021C Bonds	\$1,700,000
Series R-2021D Bonds	\$1,950,000

The applicable good faith deposit must be paid by federal funds wire transfer within 90 minutes after receipt of the verbal award by the apparent successful bidder for a Series. Wiring instructions will be provided to the apparent successful bidder at the time of the verbal award. The good faith deposit for each Series will be retained by the State as security for the performance of the apparent successful bidder for such Series and shall be applied to the purchase price of the applicable Series upon the delivery of such Series to the apparent successful bidder. Pending delivery of a Series, the applicable good faith deposit may be invested for the sole benefit of the State.

Failure to Complete Purchase

If a Series is ready for delivery and the apparent successful bidder for such Series fails or neglects to complete the purchase of such Series within 30 days following the acceptance of its bid, the good faith deposit shall be retained by the State as reasonable liquidated damages and not as a penalty. In such event, the SFC acting by and through the Treasurer may accept the next best bid or call for additional bids.

Bond Ratings

Each Series has been assigned a rating from Fitch Ratings, Moody's Investors Service Inc., and S&P Global Ratings, a business unit within Standard & Poor's Financial Services LLC, of AA+, Aaa, and AA+, respectively. The State will pay the fees for these ratings. Any other ratings are the responsibility of the successful bidder(s).

Municipal Bond Insurance

No bid may be conditioned upon obtaining municipal bond insurance or any other credit enhancement, or upon the State's acceptance of any of the terms of such insurance or other credit enhancement. Any purchase of municipal bond insurance or commitment therefor will be at the sole option and expense of the successful bidder for such Series, and any increased costs of issuance of such Series resulting by reason of such insurance, unless otherwise paid, must be paid by such bidder, but will not, in any event, be paid by the State. Any failure of a Series to be so insured or of any such policy of insurance to be issued will not in any way relieve the successful bidder for such Series of its contractual obligations arising from the acceptance of its bid.

If a successful bidder for a Series of the Bonds purchases insurance, the State may require such successful bidder to furnish to the State and Bond Counsel a certificate with respect to certain tax matters; a certificate from the insurance provider regarding the accuracy and completeness of the information provided for inclusion in the Official Statement; and an opinion of counsel to the insurance provider regarding the validity and enforceability of the municipal bond insurance policy, each in form and substance acceptable to Bond Counsel.

Tax Status and Establishment of Issue Price

For a statement regarding the tax status of the Bonds, see "TAX MATTERS" in the Preliminary Official Statement.

Establishment of Issue Price of Bonds – Competitive Sale. The State expects to determine the issue price of the Bonds under the special rule for competitive sales provided by Treasury Regulation Section 1.148-1(f)(3)(i) because the sale of the Bonds is expected to meet the following requirements (the "competitive sale requirements"):

- (1) The State will disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) All bidders will have an equal opportunity to bid for each Series of the Bonds;
- (3) The State will receive bids for each Series of the Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) The State will award the sale of each Series of the Bonds to the bidder who submits a bid in conformance with this Official Notice of Sale to purchase that Series of Bonds at a price that produces the lowest TIC to the State, as set forth in this Official Notice of Sale under the heading "Selection of Winning Bids."

The successful bidder for a Series of Bonds will be required to assist the State in establishing the issue price of that Series of Bonds under the special rule for competitive sales by (i) providing to the Treasurer, in writing, immediately following the award of the sale of that Series of Bonds to such successful bidder, the reasonably expected initial offering price to the public as of the sale date of each maturity of that Series of Bonds on which the price bid by that successful bidder for that Series of Bonds was based, and (ii) executing and delivering to the State on or before the Closing Date an issue price certificate setting forth for each maturity of the Series of Bonds the reasonably expected initial offering price to the public as of the sale date on which the price bid by that successful bidder for that Series of Bonds was based. The issue price certificate will be in substantially the form of Exhibit 1 attached to this Official Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the State, and Bond Counsel.

Use of General Rule (10% Test) or Hold-the-Offering-Price Rule, as Applicable, if Competitive Sale Requirements Not Met. If the State determines that the sale of any Series of Bonds failed to meet the competitive sale requirements as previously described, the State will so advise the successful bidder for that Series, and the State will determine the issue price of each maturity of that Series on the basis of either (i) the first price at which a substantial amount (10%) of that maturity is sold to the public (the “10% test”) or (ii) the initial offering price to the public as of the sale date of any maturity of that Series (the “hold-the-offering-price” rule), as applicable, in each case applied on a maturity-by-maturity basis. The successful bidder must advise the State, Municipal Advisor, and Bond Counsel whether any maturity or maturities of a Series of the Bonds satisfy the 10% test as of the date and time of the award of such Series, and the State will determine the issue price of those maturities based upon the 10% test. Any maturity of that Series that does not satisfy the 10% test as of the date and time of the award of such Series will be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation if the State determines to apply the hold-the-offering-price rule to any maturity of that Series. Bidders for a Series should prepare their bids on the assumption that some or all of the maturities of such Series will be subject to the hold-the-offering-price rule in order to establish the issue price of such Series.

By submitting a bid for a Series of the Bonds, the successful bidder for such Series must (i) confirm that the underwriters have offered or will offer the Bonds of such Series to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by such successful bidder and (ii) agree, on behalf of the underwriters participating in the purchase of such Series, that the underwriter will neither offer nor sell unsold Bonds of any maturity of the Series to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (A) the close of the fifth business day after the sale date; or (B) the date on which the underwriters have sold at least 10% of that maturity to the public at a price that is no higher than the initial offering price to the public.

The successful bidder will be required to assist the State in establishing the issue price of such Series of the Bonds and must execute and deliver to the State on or before the Closing Date an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sale price or prices of those maturities that are subject to the hold-the-offering-price rule, together with the supporting pricing wires or equivalent communications, in substantially the form attached to this Official Notice of Sale as Exhibit 2, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the State, the Municipal Advisors, and Bond Counsel.

The State acknowledges that, if and to the extent the hold-the-offering-price rule applies to a Series of the Bonds, the successful bidder for such Series will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) if a selling group has been created in connection with the initial sale of such Series to the public, the agreement of each dealer that is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) if an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of such Series to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The State further acknowledges that each underwriter will be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter will be liable for the failure of any other underwriter, or of any dealer that is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to such Series.

By submitting a bid, each bidder confirms that, if and to the extent the hold-the-offering-price rule applies: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of a Series of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer that is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity of such Series allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule (if mutually agreed to and applicable), in each case if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of a Series of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of a Series of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule (if mutually agreed to and applicable), in each case, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds of a Series to any person who is a related party to an underwriter will not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale: (i) “public” means any person other than an underwriter or a related party, (ii) “underwriter” means (A) the underwriter that is the successful bidder for such Series and any person that agrees pursuant to a written contract with the State (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of such Series to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) to participate in the initial sale of such Series to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of such Series to the public), (iii) a purchaser of any of the Bonds of such Series is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and (iv) “sale date” means the date that a Series is awarded by the State to the successful bidder.

Delivery of the Bonds

Each Series of the Bonds will be delivered to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, against payment of the applicable purchase price to the State, in immediately available federal funds, less the amount of the good faith deposit for the applicable Series. The Bonds will be delivered in “book-entry only” form in accordance with the Letter of Representations from the State to DTC. As of the date of the award of each Series of the Bonds, the successful bidder for such Series must either participate in DTC or clear through or maintain a custodial relationship with an entity that participates in DTC.

The State will furnish to the successful bidder of each Series of the Bonds one electronic transcript of proceedings; additional transcripts, if requested, will be furnished at such successful bidder’s cost.

If, prior to the delivery of the Bonds, the interest on a Series of the Bonds becomes includable in the gross income of the recipients thereof for federal income tax purposes, or if legislation that would have the same effect if adopted into law is passed by either house of Congress or proposed by a joint conference committee, the successful bidder for such Series, at its option, may be relieved of the obligation to purchase that Series, or the State, at its option, may be relieved of the obligations to deliver that Series. The good faith deposit will be returned without interest, as described under “Good Faith Deposit” above.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds; however, neither the failure to print CUSIP numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the successful bidder(s) therefor to accept delivery of and pay for the Bonds. *Piper Sandler & Co., as municipal advisor, is responsible for obtaining CUSIP numbers, and the CUSIP Global Services charge for the assignment of those numbers is the responsibility of and shall be paid for by the successful bidder for each Series, as applicable.*

Legal Opinion

The State will furnish to the successful bidder(s) and deliver with each Series of the Bonds the legal opinion of Foster Garvey P.C., Seattle, Washington, Bond Counsel, for that Series in substantially the forms included in the Preliminary Official Statement as Appendix C.

Continuing Disclosure

The State will enter into an undertaking for the benefit of the holders and beneficial owners of the Bonds to provide certain historical financial information and operating data to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notice to the MSRB of certain events pursuant to the requirements of paragraph (b)(5)(i) of Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule"). For a statement regarding the State's historical compliance with its Prior Undertakings, see "CONTINUING DISCLOSURE UNDERTAKING" in the Preliminary Official Statement.

Closing Documents

As a condition to the obligations of the successful bidder for each Series of the Bonds to accept delivery of and pay for such Series, such successful bidder will be furnished the following, dated as of the date of closing:

- (1) A certificate of the Deputy State Treasurer on behalf of the SFC certifying that, to the Deputy State Treasurer's knowledge and belief, and after reasonable investigation, and in reliance on the certificates from those individuals having substantive knowledge as to the subject matter contained therein, the Preliminary Official Statement relating to the Bonds did not as of its date or as of the date of sale, and the Official Statement relating to the Bonds did not as of its date or as of the date of closing, contain any untrue statement of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and no event affecting the Bonds has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein not misleading in any material respect (except that in no event is any representation being made with respect to information therein regarding DTC and its book-entry only system and regarding any municipal bond insurer and its municipal bond insurance policy, and information provided by the successful bidders regarding reoffering prices and yields); and
- (2) A certificate of an Assistant Attorney General of the State, based on such inquiry and investigation deemed sufficient by such Assistant Attorney General, to the effect that, except as otherwise disclosed in the Preliminary Official Statement or the Official Statement, no action, suit or proceeding or any inquiry or investigation by or before any court, governmental agency, public board or body in which the State has been served or, to the best of such Assistant Attorney General's knowledge, is pending or threatened against the State which: (a) questions the existence of the State or title to office of any member of the SFC; (b) affects or seeks to prohibit, restrain or enjoin the issuance, sale or delivery of the Bonds, the collection of revenues pledged under the Bond Resolutions or the use of the Official Statement; (c) affects or questions the validity or enforceability of the Bonds or the Bond Resolutions or any other proceedings authorizing the issuance of the Bonds; (d) questions the tax-exempt status of any Series of the Bonds, or the completeness or accuracy of the Official Statement; or (e) questions the powers of the State to carry out the transactions contemplated by the Official Statement or the Bond Resolutions.

Official Statement

The Preliminary Official Statement is in a form deemed final by the State for the purpose of the Rule, but is subject to revision, amendment and completion in a final Official Statement, which the State will deliver to the successful bidder for each Series of the Bonds not later than seven business days after the SFC's acceptance of the successful

bidder's proposal, in sufficient quantities to permit the successful bidder(s) to comply with the Rule, at the State's expense. Each successful bidder shall file, or cause to be filed, the final Official Statement with the MSRB within one business day following receipt of the Official Statement from the State.

Each successful bidder also agrees:

- (1) with respect to the purchase of a Series of Bonds, to provide to the Treasurer, in writing, the information as described in this Official Notice of Sale under the heading "Tax Status and Establishment of Issue Price—Establishment of Issue Price of Bonds—Competitive Sale" as necessary for completion of the final Official Statement and execution of a certificate in substantially the form attached to this Official Notice of Sale as Exhibit 1 or 2, as applicable, with only such modifications as may be acceptable to the State and Bond Counsel;
- (2) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the State; and
- (3) to take any and all actions necessary to comply with applicable SEC and MSRB rules governing the offering, sale and delivery of the Bonds to the ultimate purchasers, including without limitation, the delivery of a final Official Statement to each investor who purchases Bonds.
