STATE FINANCE COMMITTEE

OLYMPIA, WASHINGTON

RESOLUTION NO. 1210

A RESOLUTION OF THE STATE FINANCE COMMITTEE OF THE STATE OF WASHINGTON ACTING BY AND THROUGH THE STATE TREASURER AS CHAIRMAN OF THE STATE FINANCE COMMITTEE APPROVING THE COMPETITIVE SALE OF \$489,880,000 PRINCIPAL AMOUNT OF VARIOUS PURPOSE GENERAL OBLIGATION BONDS, SERIES 2018C, OF THE STATE; FIXING THE INTEREST RATES; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO.

WHEREAS, the Washington State Finance Committee (the "Committee") by Resolution No. 1209, adopted on February 5, 2018 (the "Bond Resolution"), authorized the issuance and sale by the State of Washington (the "State") of not to exceed \$1,950,000,000 principal amount general obligation bonds, in one or more series, to provide funds to pay and reimburse State expenditures for various State projects; and

WHEREAS, by the enactment of Chapter 18, Laws of 2010, 1st Spec. Sess., the State Legislature amended RCW 39.42.030(2) to authorize the Committee to delegate to the State Treasurer the authority, by resolution, to (i) accept offers to purchase bonds, notes, or other evidences of indebtedness of the State and to sell and deliver such bonds, notes, or other evidences of indebtedness to the purchasers thereof; (ii) determine the date or dates, price or prices, principal amounts per maturity, delivery dates, interest rate or rates (or mechanisms for determining the interest rate or rates); and (iii) set other terms and conditions as the Committee may deem necessary and appropriate; with each such delegation to be limited to bonds, notes, or other evidences of indebtedness which the Committee has authorized to be issued; and

WHEREAS, the Committee, in the Bond Resolution, authorized the State Treasurer, on behalf of the Committee, to adopt Bond Sale Resolutions to approve the sale of any Series of Bonds within the aggregate total principal amount of Bonds authorized by the Committee to be issued under the Bond Resolution; and

WHEREAS, pursuant to the Bond Resolution, the Deputy State Treasurer caused the Preliminary Official Statement dated February 27, 2018, to be prepared for the public sale of a series of the various purpose general obligation bonds authorized by the Bond Resolution (the "Series 2018C Bonds") and the official notice of such sale (the "Notice of Sale"), to be duly given, and bids have been received in accordance with the Notice of Sale; and

WHEREAS, after review and analysis of the bids received, the Committee acting by and through the State Treasurer, on behalf of the State, deems it necessary and desirable to authorize

the sale of the Series 2018C Bonds to Morgan Stanley & Co. LLC (the "Underwriter"), as the bidder offering the lowest true interest cost therefor; and

WHEREAS, in accordance with the Bond Resolution, the Committee acting by and through the State Treasurer finds that Series 2018C Bonds will be the first issue of various purpose general obligation bonds issued under the Bond Resolution, and the issuance of the Series 2018C Bonds will not cause the aggregate total principal amount of Bonds issued under the Bond Resolution to exceed \$1,950,000,000;

NOW, THEREFORE, BE IT RESOLVED BY THE STATE FINANCE COMMITTEE ACTING BY AND THROUGH THE STATE TREASURER FOR AND ON BEHALF OF THE STATE OF WASHINGTON, as follows:

Adjustment of Amount of Bonds and Bid Price. The State has reserved the right to increase or decrease the preliminary principal amount of each Series of the Bonds by an amount not to exceed 10% following the opening of the bids. The price bid by the successful bidder of each Series will be adjusted by the State on a proportionate basis to reflect any increase or decrease in the principal amount and maturity schedule within 24 hours of the bid opening. The State will not be responsible in the event and to the extent that any adjustment affects the net compensation to be realized by the successful bidder.

Optional Redemption. The State may redeem any Bonds maturing on or after February 1, 2029, as a whole or in part on any date on or after February 1, 2028 (with the maturities to be redeemed to be selected by the State and

Book-Entry Only. The Bonds will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only, and purchasers will not receive physical certificates representing their interests in the Bonds purchased. See Appendix E—“DTC AND ITS BOOK-ENTRY SYSTEM.”

Purpose

The Series 2018C Bonds and Series 2018D Bonds are being issued to provide funds to pay and reimburse State expenditures for various State capital projects and State programs and to pay costs of issuance. See “DESCRIPTION OF THE BONDS—Authority and Purpose.”

Security

The Bonds are general obligations of the State, and the full faith, credit and taxing power of the State are pledged irrevocably to the payment of the Bonds. The Series 2018D Bonds are first payable from State excise taxes on motor vehicle and special fuels. See “SECURITY FOR THE BONDS” in the Preliminary Official Statement.

Bidding Detail

Electronic Bids. Electronic bids for the Bonds must be submitted via the Qualified Electronic Bid Provider only. The State has designated Parity® as the Qualified Electronic Bid Provider for purposes of receiving electronic bids for the Bonds. By designating a bidding service as a Qualified Electronic Bid Provider, the State does not endorse the use of such bidding service.

A bidder submitting an electronic bid for either Series of the Bonds thereby agrees to the following terms and conditions:

- (1) If any provision in this Official Notice of Sale with respect to the Bonds conflicts with information or terms provided or required by the Qualified Electronic Bid Provider, this Official Notice of Sale, including any amendments provided to the Qualified Electronic Bid Provider and i-Deal Prospectus, shall control.
- (2) Each bidder shall be solely responsible for making necessary arrangements to access the Qualified Electronic Bid Provider for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Official Notice of Sale.
- (3) The State shall not have any duty or obligation to provide or assure access to the Qualified Electronic Bid Provider to any bidder, and the State shall not be responsible for proper operation of, or have any liability for, any delays, interruptions or damages caused by use of the Qualified Electronic Bid Provider or any incomplete, inaccurate or untimely bid submitted by any bidder through the Qualified Electronic Bid Provider.
- (4) The State is permitting use of the Qualified Electronic Bid Provider as a communication mechanism, and not as the State’s agent, to conduct the electronic bidding for the Bonds. The Qualified Electronic Bid Provider is acting as an independent contractor, and is not acting for or on behalf of the State.
- (5) The State is not responsible for ensuring or verifying bidder compliance with any Qualified Electronic Bid Provider procedures.

- (6) If the bidder's bid is accepted by the Committee acting by and through the Treasurer, this Official Notice of Sale and the information that is transmitted electronically through the Qualified Electronic Bid Provider shall form a contract, and the bidder shall be bound by the terms of such contract.
- (7) Information provided by the Qualified Electronic Bid Provider to bidders shall form no part of any bid or of any contract between the successful bidder and the State unless that information is included in this Official Notice of Sale or in any amendment.

Further information about the Qualified Electronic Bid Provider, including any fees charged, may be obtained by calling Bidcomp/Parity® at (212) 849-5021.

Form of Bids. Bids for the Series 2018C Bonds and the Series 2018D Bonds must be unconditional, and for not less than all of a Series. By submitting a bid, each bidder agrees to all of the terms and conditions of this Official Notice of Sale, as they may be modified in accordance herewith. Bids for the Series 2018C Bonds and the Series 2018D Bonds must be submitted electronically via the Qualified Electronic Bid Provider. Bids may not be withdrawn or revised after the time that bids are due.

Interest Rates Bid. Bidders for the Series 2018C Bonds and Series 2018D Bonds may specify any number of interest rates in multiples of one-eighth or one-twentieth of one percent ($1/8$ or $1/20$ of 1.0%), or both. The Bonds maturing on or after February 1, 2029, must have a minimum interest rate of 5.00%. All Bonds of the same maturity of a particular Series must bear interest at the same rate.

Premium and Discount. No bid offering to pay an amount less than 111.0% or more than 120.0% of the par value of the Series 2018C Bonds will be considered.

No bid offering to pay an amount less than 111.0% or more than 120.0% of the par value of the Series 2018D Bonds will be considered.

Selection of Winning Bids

Bids for the Bonds will be considered by the Committee acting by and through the Treasurer in the Office of the State Treasurer, commencing at approximately 11:00 a.m., Pacific Time, on March 6, 2018. The results of the foregoing bond sales will be posted on the Treasurer's website promptly following approval of the Bond Sale Resolutions by the Committee acting by and through the Treasurer.

The Bonds of each Series will be sold to the bidder submitting a bid in conformance with this Official Notice of Sale, including any amendments, that produces the lowest true interest cost ("TIC") to the State, based on the bid price, the interest rates specified in the electronic bid and the principal amounts identified in this Official Notice of Sale. The TIC will be the rate necessary, when using a 360-day year and semiannual compounding, to discount the debt service payments from the payment dates to the initial delivery date of the Bonds (currently anticipated to be March 21, 2018) (the "Closing Date") and to the price bid.

The successful bidder for each Series will be bound to purchase such Series in the principal amount, at such price and with such interest rates as are specified in its bid, subject to adjustment of principal as described above.

Right of Rejection

The Committee acting by and through the Treasurer reserves the right to reject any or all bids and to waive any irregularity in any bid. In the event that two or more bidders for a Series submit bids at the same lowest TIC, the Committee acting by and through the Treasurer will determine which bidder is awarded those Bonds in its sole discretion.

Good Faith Deposit

The successful bidder shall deliver to the Treasurer a good faith deposit in the amount of \$4,900,000 with respect to the Series 2018C Bonds and \$1,100,000 with respect to the Series 2018D Bonds. The good faith deposit may be paid in one of the following ways:

- (1) By federal funds wire transfer delivered no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder at the time of the verbal award.
- (2) By certified or bank cashier's check made payable to the order of the State Treasurer and delivered to the Treasurer prior to the time of receipt of the bids.

Any good faith deposit submitted by a bidder whose bid is not accepted shall be returned promptly by the State, but the State shall not be liable for interest for any delay in such return.

The good faith deposit of the successful bidder for each Series will be retained by the State as security for the performance of such bid, and will be applied to the purchase price of such Series on the delivery of such Series of Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit for each Series of Bonds may be invested for the sole benefit of the State.

If the Bonds of a Series are ready for delivery and the successful bidder for a Series of Bonds fails to complete the purchase of that Series by March 21, 2018, such good faith deposit will be forfeited to the State, and, in that event, the Committee acting by and through the Treasurer may accept the next best bid or call for additional bids.

Ratings

The State has received ratings from Fitch Ratings, Moody's Investors Service Inc., and S&P Global Ratings, a business unit within Standard & Poor's Financial Services LLC, of AA+, Aa1 and AA+, respectively. The State will pay the fees for these ratings. Any other ratings are the responsibility of the successful bidder(s).

Bond Insurance

The purchase of any insurance policy for any Series of the Bonds or the issuance of any commitment therefor will be at the sole option and expense of the successful bidder(s) for such Series of Bonds. Bids may not be conditioned upon qualification for or the receipt of municipal bond insurance. Any increased costs of issuance of the Bonds of any Series resulting from such purchase of insurance will be paid by the successful bidder for that Series and will not, in any event, be paid by the State. Payment of any bond insurance premium and satisfaction of any conditions to the issuance of the municipal bond insurance policy will be the sole responsibility of the successful bidder. In particular, the State will not enter into any agreements with respect to the provisions of any such policy.

Failure of any municipal bond insurer to issue or deliver its policy will not constitute cause for failure or refusal by the successful bidder to accept delivery of or to tender payment for the Bonds.

The successful bidder must provide the State with the municipal bond insurance commitment and information with respect to the municipal bond insurance policy and the insurance provider for inclusion in the final Official Statement within two business days following the award of the bid by the Committee acting by and through the Treasurer. The State will require delivery, on or prior to the date of initial delivery of the Bonds, of:

- (1) a certificate from the insurance provider regarding the accuracy and completeness of the information provided for inclusion in the Official Statement,
- (2) an opinion of counsel to the insurance provider regarding the validity and enforceability of the municipal bond insurance policy, and

(3) a certificate with respect to certain tax matters (with respect to the Bonds),
each in a form reasonably satisfactory to the State and its Bond Counsel.

Establishment of Issue Price of Bonds

Competitive Sale. The State expects to determine the issue price of each Series of Bonds under the special rule for competitive sales provided by Treasury Regulation Section 1.148-1(f)(3)(i) because the sale of each Series of Bonds is expected to meet the following requirements (the “competitive sale requirements”):

- (1) the State will disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders will have an equal opportunity to bid for each Series of Bonds;
- (3) the State will receive bids for each Series of Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the State will award the sale of each Series of Bonds to the bidder who submits a bid in conformance with this Official Notice of Sale to purchase that Series of Bonds at a price that produces the lowest true interest cost to the State, as set forth in this Official Notice of Sale under the heading “Selection of Winning Bids.”

The successful bidder for a Series of Bonds will be required to assist the State in establishing the issue price of that Series of Bonds under the special rule for competitive sales by (i) providing to the Treasurer, in writing, immediately following the award of the sale of that Series of Bonds to the successful bidder, the reasonably expected initial offering price to the public as of the sale date of each maturity of the Bonds of that Series on which the price bid by that successful bidder for that Series of Bonds was based, and (ii) executing and delivering to the State on or before the Closing Date an issue price certificate setting forth for each maturity of the Series of Bonds the reasonably expected initial offering price to the public as of the sale date on which the price bid by that successful bidder for that Series of Bonds was based. The issue price certificate shall be substantially in the form of Exhibit 1 attached to this Official Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the State and Bond Counsel.

Use of General Rule (10% Test) or Hold-the-Offering-Price Rule, as Applicable, If Competitive Sale Requirements Not Met. If the State determines that the sale of any Series of Bonds failed to meet the competitive sale requirements as previously described, the State will so advise the successful bidder for that Series of Bonds, and the State will determine the issue price of a maturity of that Series of the Bonds on the basis of either (i) the first price at which a substantial amount (10%) of that maturity of the Bonds of that Series is sold to the public (the “10% test”) or (ii) the initial offering price to the public as of the sale date of any maturity of a Series of the Bonds (the “hold-the-offering-price” rule), as applicable, in each case applied on a maturity-by-maturity basis. The successful bidder shall advise the State, Municipal Advisor and Bond Counsel whether any maturity or maturities of a Series of the Bonds satisfy the 10% test as of the date and time of the award of such Bonds, and the State will determine the issue price of those maturities based upon the 10% test. Any maturity of a Series of the Bonds that does not satisfy the 10% test as of the date and time of the award of such Bonds will be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the State determines to apply the hold-the-offering-price rule to any maturity of a Series of the Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of such Bonds.

By submitting a bid, the successful bidder shall (i) confirm that the underwriters have offered or will offer such Series of Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the successful bidder and (ii) agree, on behalf of the underwriters participating in the purchase of such Series of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date

and ending on the earlier of the following: (A) the close of the fifth business day after the sale date; or (B) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The successful bidder will be required to assist the State in establishing the issue price of such Series of the Bonds and shall execute and deliver to the State on or before the Closing Date an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of those maturities of such Bonds that are subject to the hold-the-offering-price rule, together with the supporting pricing wires or equivalent communications, substantially in the form attached to this Official Notice of Bond Sale as Exhibit 2, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the State, Municipal Advisor and Bond Counsel.

The State acknowledges that, if and to the extent the hold-the-offering-price rule applies, the successful bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of such Series of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of such Series of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The State further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to such Series of the Bonds.

By submitting a bid, each bidder confirms that, if and to the extent the hold-the-offering-price rule applies: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of a Series of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity of a Series allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Bonds of that maturity of a Series or all Bonds of that maturity of a Series have been sold to the public and (B) comply with the hold-the-offering-price rule (if mutually agreed to and applicable), in each case if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of a Series of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of a Series of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity of a Series allotted to it until it is notified by the successful bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity of a Series or all Bonds of that maturity of a Series have been sold to the public and (B) comply with the hold-the-offering-price rule (if mutually agreed to and applicable), in each case if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds of a Series to any person who is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale: (i) "public" means any person other than an underwriter or a related party, (ii) "underwriter" means (A) the underwriter that is the successful bidder for a Series of Bonds and any person that agrees pursuant to a written contract with the State (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds of that Series to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) to participate in the initial sale of the Bonds of that Series to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of such Series of the Bonds to the public), (iii) a purchaser of any of the Bonds of a Series is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one

corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and (iv) "sale date" means the date that a Series of the Bonds are awarded by the State to the successful bidder.

Delivery of Bonds

The Bonds of each Series will be delivered to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, against payment of the purchase price to the State, in immediately available federal funds less the amount of the good faith deposit for the applicable Series of Bonds.

The Bonds will be delivered in "book-entry only" form in accordance with the letter of representations from the State to DTC. As of the date of the award of the Bonds, the successful bidder(s) must either participate in DTC or clear through or maintain a custodial relationship with an entity that participates in DTC.

The State will furnish to the successful bidder for each Series of Bonds one CD ROM transcript of proceedings; additional transcripts will be furnished at such successful bidder's cost.

If, prior to the delivery of the Bonds, the interest on the Bonds shall become includable in the gross income of the recipients thereof for federal income tax purposes, or if legislation which would have the same effect if adopted into law is passed by either house of Congress or proposed by a joint conference committee, the successful bidder(s), at its option, may be relieved of the obligation to purchase such Series of Bonds, or the State, at its option, may be relieved of the obligation to deliver such Series of Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds; however, neither the failure to print CUSIP numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the successful bidder(s) therefor to accept delivery of and pay for the Bonds.

The successful bidder for each Series of Bonds is responsible for obtaining CUSIP numbers for the Bonds of such Series, and the CUSIP Global Services charge for the assignment of those numbers is the responsibility of and shall be paid for by the successful bidder.

Legal Opinion

The State will furnish to the successful bidder(s) and have delivered with the Bonds of each Series the legal opinion of Foster Pepper PLLC, Seattle, Washington, Bond Counsel, for each Series of the Bonds in substantially the forms included in the Preliminary Official Statement as Appendix C.

Continuing Disclosure

The State has entered into an undertaking for the benefit of the holders and beneficial owners of the Bonds to provide certain historical financial information and operating data to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notice to the MSRB of certain events pursuant to the requirements of paragraph (b)(5)(i) of Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule"). See "CONTINUING DISCLOSURE UNDERTAKING" in the Preliminary Official Statement. Within the past five years, the State has complied in all material respects with all prior written undertakings under the Rule.

Closing Documents

As a condition to the obligations of the successful bidder(s) to accept delivery of and pay for the Bonds of each Series, the successful bidder(s) will be furnished the following, dated as of the date of closing:

- (1) A certificate of the Deputy State Treasurer on behalf of the Committee certifying that to his or her knowledge and belief, and after reasonable investigation, and in reliance on the certificates from those individuals having substantive knowledge as to the subject matter contained therein, the Preliminary Official Statement relating to the Bonds did not as of its date, and the Official Statement relating to the Bonds did not as of its date or as of the date of closing, contain any untrue statement of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and no event affecting the Bonds has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein not misleading in any material respect (except that in no event is any representation being made with respect to information therein regarding DTC and its book-entry only system and regarding any municipal bond insurer and its municipal bond insurance policy, and information provided by the successful bidders regarding reoffering prices and yields); and
- (2) A certificate of an Assistant Attorney General of the State, based on such inquiry and investigation deemed sufficient by such Assistant Attorney General, to the effect that, except as otherwise disclosed in the Preliminary Official Statement or the Official Statement, no action, suit or proceeding or any inquiry or investigation by or before any court, governmental agency, public board or body in which the State has been served or, to the best of his/her knowledge, is pending or threatened against the State which: (a) questions the existence of the State or title to office of any member of the State Finance Committee; (b) affects or seeks to prohibit, restrain or enjoin the issuance, sale or delivery of the Bonds, the collection of revenues pledged under the Bond Resolutions or the use of the Official Statement; (c) affects or questions the validity or enforceability of the Bonds or the Bond Resolutions or any other proceedings authorizing the issuance of the Bonds; (d) questions the tax-exempt status of the Bonds, or the completeness or accuracy of the Official Statement; or (e) questions the powers of the State to carry out the transactions contemplated by the Official Statement or the Bond Resolutions.

Official Statement

The Preliminary Official Statement is in a form deemed final by the State for the purpose of the Rule, but is subject to revision, amendment and completion in a final Official Statement, which the State will deliver to the successful bidder for each Series of Bonds not later than seven business days after the Committee's acceptance of the successful bidder's proposal, in sufficient quantities to permit the successful bidder(s) to comply with the Rule, at the State's expense.

The successful bidder(s) shall file, or cause to be filed, the final Official Statement with the MSRB within one business day following the receipt of the Official Statement from the State.

Each successful bidder also agrees:

- (1) to provide to the Treasurer, in writing, the information as described in this Official Notice of Sale under the heading "Establishment of Issue Price of Bonds" as necessary for completion of the final Official Statement;
- (2) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the State; and
- (3) to take any and all actions necessary to comply with applicable SEC and MSRB rules governing the offering, sale and delivery of the Bonds to ultimate purchasers, including without limitation, the delivery of a final Official Statement to each investor who purchases Bonds.
